Wanned out, Wanning, Musking like noon enclosed. Footsteps shuffled on the stairs.  
Under the firelight, under the trees, her hair spread out in many points  
filled the air. When you are away, I miss you.  
I miss you when you are away. I miss you when you are away.  
I miss you when you are away. I miss you when you are away.

I miss you when you are away. I miss you when you are away.

I miss you when you are away.

I miss you when you are away.

I miss you when you are away. I miss you when you are away.

Do

I miss you when you are away. Do you remember. I miss you when you are away.

I remember

I miss you when you are away. I miss you when you are away.

I miss you when you are away.

I miss you when you are away.

I miss you when you are away.

filled the air.

I miss you when you are away.

I miss you when you are away.
